

Park & Walk or Ride

Not everyone can walk or ride the whole way to school or the bus stop, but it's easy to drive part of the way and then walk or ride the rest!

The Benefits

Avoid the school carpark chaos and add some exercise into your family's daily routine. Physical activity before and after school can help make kids happier, healthier and even concentrate better in class.

Walking or riding part of the way to school or the bus stop will help children learn road safety, set good habits for life and it's better for the environment too!
